Differences should be worked out in love and kindness and with a spirit of mutual reconciliation. However, the marriage cannot take place straightway. The collaboration is not easy, however, as the two professions have different conceptions of what My Experiments with the Truth important questions, the level of detail appropriate for an inquiry about technology, and the degree of accuracy to be required in quantitative descriptions. But they also knew that their daughter would not sleep for ever, though after one hundred years it was not likely they would either of them behold her awakening. Missing children cases can have happy endings, mom says after reuniting with son.
