## **Reports of cases argued and determined in the Court of Chancery of the State of New-York [1828-1845]**

Their extinction was caused by killing and the introduction of dogs, pigs, and rats who ate their eggs and religious refugees who destroyed dodo's habitat for building sugar canes. He was searching to prove his own passionately held belief that there was an " inland sea " at the centre of the continent.

## **Storm Chaser**

The Home and the World tells us not only of the personal struggles of the three main characters, but also little details of the family structure and what traditional Indian households were like.
