### **Breeders 3: Second Chances**

One note as to the style of this document: as in my earlier Unicard paper, I will present many of the arguments using the same catch phrases, facile reasoning, and short-circuits to considered judgment which proponents of these schemes will undoubtedly use to peddle them to policy makers and the public. What lessons about the integrity of policy analysis can social workers draw from the professionalization of the social sciences and social work and the development of the policy sciences.
