As the current system of one-country-one-vote undermines the representativeness and legitimacy of the Assembly, we propose a new plan of representation for the UN member states based on relative population size, but subject to a ceiling on the number of representatives for the most populous states, and a floor of at least one representative for the UN members with populations under 1 million. Interestingly, orgasms this way are more intense than I have ever experienced.

It may well show signs of wear and tear, however each one of our books is hand-ch

Branson, J. Because I caught those trouble-making bees and put them in a new home where I could keep a close watch on their sneaky behaviours.
