Nowhere to go If we don't act now, we could lose koalas in NSW forever. The story operates a radical delegitimation of narration by asserting the falsity of truthful records. The slight problem with what we are doing now in Parliament - and that is why we were critical in the Committee on the Environment, Public Health and Food Safety ENVI - is that for the resceEU, we are now broadening the scope on what it should work towards, even going into the locations of terrorist

attacks.
